*Proposed Amendment to the Constitution*

*Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on September 7, 1977, by a vote of 262-1, and on May 28, 1980, by a vote of 192-0?*

**SUMMARY**

## QUESTION NO. 3

### *Law Proposed by Initiative Petition*

*Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 6, 1980, by a vote of 2-147, and on which no vote was taken by the Senate before May 7, 1980?*

#### SUMMARY

The proposed law would limit local property taxes and state taxes and would provide for increased state aid for local educational purposes.

The act would limit local property taxes in the years 1981 through 1984 to the amount levied in the previous year increased by the percentage increase in personal income of the residents of the Commonwealth during the previous year. The local property tax limit could be exceeded to offset decreases in local aid, to cover shortages for prior years and to pay court judgments. Pension and retirement allowances, payments to other governmental units, principal and interest on any indebtedness, unemployment compensation, amounts required to be raised as a condition of a state or federal grant, and costs for special education programs would be excluded from the property tax limit.

These local limits would be reduced by any excess taxes actually collected over the tax limit for the preceding year. The limit would not apply to any municipality having a general tax rate of less than \$35 per thousand of equalized valuation. The tax limit could be exceeded by a two-thirds vote of the local appropriating body.

The cost of regional and independent vocational schools would be subject to the same limitations.

The proposed law would also limit state taxes imposed in the years 1981 through 1984 to an amount no greater than that imposed the previous year, increased by the percentage increase in the personal income of Massachusetts residents in the previous year. This state tax limit could be exceeded only to increase local aid or to assume other costs approved by a two-thirds vote of the state legislature. The amounts necessary to pay principal and interest on state indebtedness, pensions, retirement allowances, unemployment compensation, and court judgments, and money required to be raised as a condition of a federal grant would not be subject to the state tax limit. The total amount of local aid for any year which would be subject to legislative appropriation could not be less than the total amount of aid for the preceding year increased by half the increase in collected state taxes during that preceding year. The state tax limit would be reduced by any excess taxes actually collected over the tax limit for the preceding year.

The proposed law also would require, subject to legislative appropriation, a gradual increase in the percentage of local educational costs paid by the Commonwealth to a level of 50% in 1984. The proposal would also require, again subject to legislative appropriation, that school aid paid by the Commonwealth in any year between 1981 through 1984 must be at least 15% greater than that provided in 1980.

**QUESTION NO. 4**

*Referendum on an Existing Law*

*Do you approve of a law summarized below, which was approved by the House of Representatives on November 1, 1979, by a vote of 83-62, and which was approved by the Senate on November 1, 1979?*

**SUMMARY**

The law provides for increases in the salaries of members of the legislature and the constitutional officers of the Commonwealth.

The law increases salaries of members of the legislature by an annual amount varying from \$1,853 to \$17,923. The size of the raise conferred on a particular individual depends upon his position within the legislature. The law has the effect of setting the base salary for a legislator at \$20,335, but under the law legislative salaries range as high as the approximately

\$55,920 paid to the President of the Senate and the Speaker of the House of Representatives.

The salaries of the constitutional officers are increased either by \$20,000, in the case of the Governor, or \$10,000 in all other cases. The law raises the annual salary of the Governor to \$60,000, that of the Attorney General to \$47,500, and the salaries of the Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, and the Auditor to \$40,000.

The law also amends the statutes pertaining to the organization of the offices of the Secretaries of Administration and Finance and of Human Services and to the compensation of senior officials within those offices. It gives the Secretaries of Administration and Finance and of Human Services greater flexibility in establishing positions and setting salaries for those under their supervision.

**QUESTION NO. 5***Proposed Amendment To The Constitution*

*Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on November 30, 1977, by a vote of 257-8, and on September 18, 1980, by a vote of 179-6?*

**SUMMARY**

The proposed amendment would limit the power of the legislature to impose certain costs on cities and towns. It would provide that any law which

imposes additional costs upon two or more cities or towns by regulating the compensation, hours, status, conditions, or benefits of municipal employment would not be effective within a municipality until it accepts the law by vote or appropriation of money. Local acceptance would not be required if the legislature either passed the law by a two-thirds vote, or provided, during the same session in which the law was enacted, that the additional costs would be assumed by the Commonwealth.

*Proposed Amendment To The Constitution*

*Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on September 7, 1977, by a vote of 264-0, and on September 19, 1980, by a vote of 162-0?*

SUMMARY

The proposed amendment would change the procedure by which the Legislature declares a measure to be an emergency law, making it effective when it is signed by the Governor. The amendment would allow the Legislature to make such a declaration by a voice vote, rather than by a recorded vote, as now required. The amendment would maintain the existing option allowing for a formal roll call.
